

2026 Contributions and Charges

Dear Parents and Caregivers,

The South Ballajura Primary School Council has endorsed our schedule of Contributions and Charges for 2026 in accordance with the Department of Education's Regulations 2000 and School Education Act 1999.

This schedule is designed to provide you with information about anticipated costs that may occur throughout the coming school year and allow you time for forward planning of the likely outlays.

The schedule is made up of the following four areas:

1. Contributions

\$60.00 per child - Kindergarten to Year 6.

Though this contribution remains voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution.

The money collected from contributions will supplement funds gained from other sources including State and Commonwealth Government and be used to supplement school expenses. Your contribution extends the school's capacity to add value to your child's learning experiences.

2. Charges for extra cost – Optional Items

These charges only apply if students participate in the activity. They are "pay as you go" and include school activities, excursions, and incursions. Though considered critical to the learning program, they do depend on parents paying for their child to participate prior to the event. **Students can only participate if they have parent permission and have paid the charge prior to commencement of the activity.*

The amount indicated in the schedule represents the maximum that could be charged for proposed activities in 2026. This is the **estimated maximum** you will pay over the year for these optional activities.
