

Subject: Coloured Sand Products – 2026 Booklists

Dear parents and carers

Due to the [ACCC recall](#) of coloured sand products, and additional recalls since then, we have advised our 2026 booklist supplier Campion not to supply any coloured sand.

This applies to all brands of coloured sand, not just those specifically listed in the recalls.

We understand this may cause inconvenience, particularly if you have already completed booklist orders for next year.

Please be assured that no coloured sand items will be supplied as part of the 2026 school booklist, even if they were previously ordered.

If you have questions about an existing order, please contact your supplier directly.

Thank you for your understanding.

Kind regards,

Merwan Kassem
Principal
